Intimacy: Levels of Comfort

Note: Several scenes in this show involve intimacy with other actors (hugging, kissing, etc). These questions serve to get a baseline of what you, as an actor, are [or are not] comfortable with.

There will be more conversations about intimacy and specific boundaries prior to blocking these scenes.

We want all involved actors to feel safe and heard.

IMPORTANT: Answering “NO” to any of these questions WILL NOT disqualify an actor from being cast in this production. If there are any additional details you believe we should know at this time, please feel free to write them on the back of this paper.
